

ENCLAVE OF THE SPRINGS

The Enclave of the Springs is set in a beautiful wooded area. Homes being built in the Enclave will feature professionally manicured front and side lawns, as they are single-family detached condominiums. This low maintenance neighborhood will be perfect for busy families and professionals on the go.

These bungalow-style homes display excellent craftsmanship. The style is similar to homes built in the 1950's, with a flare for contemporary aesthetics. As always Scott Felder Homes has continued with an emphasis on great design and attention to detail.
